

Dr. German Ruiz Aveiro

The leadership, staff, young leaders and delegates of the member organizations of the International Beef Alliance (IBA) express their deepest condolences to Mrs. Yolanda Moreno de Ruiz and her family for the departure on February 27, 2016 of our friend **Dr. German Ruiz Aveiro**, President of the “Asociacion Rural del Paraguay “ (ARP).

The image of a strong and committed leader will remain in our memories as we recall Dr. Ruiz, whose decisive resolution was instrumental in the evolution and expansion of the Five Nations Beef Alliance into the current International Beef Alliance.

Rest in Peace.
